

**JRA Scandinavisk Djunke samling – Stavanger**

**19<sup>th</sup> & 20<sup>th</sup> August 2006**

**Invitation**

After the success of our Norwegian Rally in 2004 we are again holding our second Scandinavian rally in Stavanger, Norway. The Lundsvagen Batforening which is about 4 kms from Stavanger have kindly offered us the use of their clubhouse, and berthing facilities.

Stavanger and its surrounding area is a beautiful cruising area with many islands, steep mountains and narrow fjords to provide magnificent sailing in whatever direction is chosen.

Boats coming to the rally include Svein Magnus Ueland's 'Samson', Arne Kverneland's 'Johanna', his old boat 'Malena', Edward Hooper's trusty 'Zuleika' and from the UK Alan & Gloria Parsons in 'Badger'..

As usual the main activity will involve members having maximum opportunity to sail with other members in their boats and share their experiences of junk rig sailing when afloat, or afterwards in the clubhouse. It will also enable those who have never ventured this far before to sample a little corner of one of the world's most fantastic cruising areas.

As the club do not provide catering we shall be having a barbecue in the evening and members are asked to bring their own food and drink.
